Please register at www.redcross.com to donate blood. The Red Cross Canteen will be set up for all donors to receive a snack after giving. At the Health Fair, you will have a chance to speak with local health providers and organizations who will distribute useful resources for you and your family. The Zero Gravity Jump Rope Team will be performing a stunning show that you don't want to miss! Families will be able to compete in jump rope contests and physical fitness activities to win prizes. Before you leave the event, be sure to grab a healthy treat, get the cancellation stamp for your Tricentennial passport, and take a family picture with the Social Media Photo Frame.
